Testimonials

Joy Abrigonda-Gagasa

TOLENTINO-KO PARTNERS AND CO.

"Anna is a teamplayer and at the same time, a leader, in the working environment and even outside work. She left a senior supervisor position and proved to be deserving to have such position. Being a senior supervisor in our company means she can handle communicating directly to the client with minimal supervision from the partners. She can answer a client's concerns with confidence which can definitely gain the client's trust. "
